Looking for a large lot in Porter Creek? Look no further than this property! Late 70's vintage, has some deferred maintenance and needs extensive upgrades. The foundation is concrete and for the right buyer that wants to put in sweat equity, this is a great opportunity. This sizable lot will accommodate a larger dwelling or could even be subdivided, allowing for numerous development options. Water and sewer are on the same side of street which is a bonus if wanting to build multi-residential. This property is an estate sale and ALL improvements on property are being sold "as is, where is". (id:6769)
