

3439 McIver Road West Kelowna British Columbia

\$749,700

Nestled in the heart of West Kelowna's well-established and highly desirable Glenrosa neighbourhood, this property is ready to serve its next family. For more than 20 years the current owners have enjoyed living here immensely but health needs now require a change. Having created RV Parking/Hook Up & a patio space in the front yard as well as a generous rear deck, this home boasts privacy where quiet enjoyment of birds and wildlife is not just possible...it's a daily given. The property is low maintenance and offers underground irrigation. The floor plan of the home offers 3 bedrooms on the main and a 4th bedroom downstairs adjacent to a massive rec room. With the lower floor's separate entrance it would be possible to create a suite. Don't miss out on the opportunity to secure an efficient home in a great neighbourhood for a reasonable price. It won't last long!! (id:6769)
