This executive 1,791 sq. ft. bungalow delivers a bright, open layout with 9-ft ceilings, sharp architectural lines, stacked-stone accents and warm recessed lighting. The front entry sets the tone with a rich, oversized door leading into a spacious sunken foyer and a private den or office accented with double glass doors. Hardwood floors carry through to the main living and dining area, centered around a 3-sided gas fireplace and full southern exposure overlooking the golf course. The kitchen is built for everyday function and entertaining, with custom maple cabinetry, granite countertops, herringbone backsplash, tile floor, a raised eating bar, corner pantry and clean pendant lighting. The primary suite also enjoys that southern light and features upgraded carpet, a walk-in closet and a renovated 5-piece ensuite with gorgeous soaker tub and a marvelous walk in shower. A large second bedroom and a full 4-piece bath finish the main floor. Downstairs, the fully developed basement offers a massive rec room with custom cabinets for all of your storage needs, a roughed-in wet bar, two additional bedrooms and another refreshed full 4 piece bathroom. Outside, everything is finished for you. The yard is fully landscaped with mature grass, a large storage shed and an uninterrupted view of the golf course.
