# 3754 Myrta Place Nanaimo British Columbia

\$1,399,999

A 7-bedroom house with 4 bathrooms offers plenty of room for a large family or the potential to accommodate guests comfortably. The media room adds a great entertainment space, and having a full legal two-bedroom suite can indeed provide extra income or be used as separate living quarters for extended family or tenants. The fact that it backs onto a park is also a significant advantage, offering a pleasant view and potentially quieter surroundings compared to other properties. Lots of storage is always appreciated in a home, providing practical space to keep belongings organized. Overall, this combination of features suggests a property that is both functional and potentially lucrative, catering to various living arrangements and lifestyle needs. (id:6769)
