* PREC - Personal Real Estate Corporation. This is the first time this property has been on the market in over 38 years! This well loved & cared for home located in lower Thornhill is a dream for someone looking for a heavy duty mechanics shop plus a large family home. Located on a large 16,000 sq ft lot this property is a great package. The house is over 3300 sq ft featuring a great sized living room with immaculate hardwood floors, large dining room & very spacious kitchen, 5 large bedrooms & 2 bathrooms as well as it has a large basement entrance which was currently used as a workshop but would make a great mud room entrance or be a great office if you worked from home with easy access to the backyard and shop. The lg 24' x 25' detached shop has an overhead hoist as well there's a 23' x 36' older building attached to the back of the shop. High ceilings make getting your larger vehicles or machines easy to get in and out. The septic has recently been redone & the roof is just a couple years old. This great package must be seen to be appreciated. (id:6769)
