Backing the Aspen Links Golf Course in the heart of White City, 396 Fairway Road is a home that earns its reputation through craftsmanship, a thoughtful layout, and an outdoor space you'll love. Just minutes from Regina, White City offers tree-lined streets, good schools, and a pace of life the city can't quite replicate. Inside this 1572 sq/ft bungalow, the main floor opens to a large kitchen anchored by a large center island, maple cabinetry, stainless steel appliances, granite countertops, a pantry, and tile flooring. French doors in the dining nook lead to the backyard. The living room offers hardwood floors, a gas fireplace with stone surround, and views that remind you exactly where you live. The primary bedroom is a retreat featuring a walk-in closet and a 4-pc ensuite with a granite counter, soaker tub, and a stand-alone shower. A second bedroom, functional office, 4-piece bath, and a laundry nook with a sink off the garage round out a floor plan built for real life. Downstairs, you'll enjoy the massive recreation room, two additional bedrooms, a 4-piece bath, and serious storage in the utility room. This home has great curb appeal with stucco exterior and a 24'x26' double attached garage that is heated, insulated, and ready for a Saskatchewan winter. The backyard is fully landscaped and complete with a railed deck, outdoor kitchen, stone patio, fire circle, and beyond the fence - the fairways of Aspen Links as your permanent view.
