397 NELSON Avenue Penticton British Columbia

\$595,000

Great potential for this development property in quiet neighbourhood near schools and a short walk to downtown. Property is a corner lot that is .25 of an acre. City of Penticton Official Community Plan does support low density multi residential zoning change. Potential for higher densities with new provincial guidelines. This 100 plus year old home does have potential for someone passionate about renovating a character home. It boasts a full basement, large main floor and a lofted top floor, considerable unique and charming attributes about this home will make it both a challenge and an honour to renovate. (id:6769)
