

Whitehorse Yukon

\$2,350,000

Rare offering in the heart of the downtown core -- a high-potential investment property spanning six commercial lots, with significant redevelopment upside. This unique site features two 4-unit apartment buildings (8 units total), each offering two-bedroom suites. The remaining two lots contain a paved commercial parking lot with 30 powered stalls-- creating future development flexibility. Perfect for investors, developers, or those seeking stable income with long-term redevelopment potential in a central and growing location.
