

41000 GRAY Road Prince George British Columbia

\$549,900

Incredible views of the McGregor Mountains at this beautiful piece of property! Located in Longworth, alongside the Fraser river, with a total of 309 acres, nearly half of it is in active hay production. The properties boast a 100'x100' hay barn in great condition, and some older outbuildings. Off grid? Not here! This property might be away from it all, but it has power! A stunning spot for recreation or hunting, or a dreamy, quiet homestead in this lovely community. Measurements approx, buyer to verify if deemed important. (id:6769)
