Set in one of Ellison's most peaceful rural pockets, this bright and updated double wide home sits in Ranch Park, a quiet fifty five plus community surrounded by farmland, open space, and a calm neighbourly atmosphere. Offering approximately 1227 square feet of single level living, the home includes two bedrooms and two full bathrooms along with a long list of upgrades completed over the past twelve years.

Improvements include an addition that opened the living and dining areas, front and back porches, roof shingles, windows, entrance and sliding doors, updated flooring, drywall that replaced the original paneling, furnace, water heater, renovated bathrooms, a skylight, and upgraded sheds with new flooring in the original shed. The home also has a new CRS electrical sticker confirming the electrical system meets current standards. The living and dining areas feel bright and spacious, with large windows and an easy flow to the kitchen and breakfast nook. The kitchen is original but practical, with good workspace, storage, and direct access to the mudroom and laundry. The primary bedroom features a three piece ensuite, and the second bedroom works well for guests or a home office. Enjoy the quiet lifestyle this location is known for, with access to the airport, golf, and natural surroundings.
