

4607 WARM BAY Road Atlin British Columbia

\$249,900

Atlin is one of the most remote and spectacular communities in British Columbia, located in the province's far northwestern corner near the Yukon border. Nestled on the eastern shore of Atlin Lake and surrounded by the rugged Coast mountains, it is often described as one of the most scenic places in Canada. Atlin sits beside British Columbia's largest natural lake, Atlin Lake, a long glacial lake stretching approximately 137 km, with its northern end extending into the Yukon. This property offers over an acre of land on Atlin Lake only a five minute drive south of town. Fully treed, this is a blank canvas sloping down from the road to the lakeside. Set up your own full time home or a seasonal cabin to take in the wildlife and spectacular beauty of this unique part of British Columbia. (id:6769)
