\$1,173,999

Welcome to 4685 Westridge Drive in highly desirable Crawford Estates. Set on a sprawling 0.41-acre lot, this home has the kind of backyard that is getting harder and harder to find in Kelowna. Picture summer evenings outside, kids or pets with room to run, weekends spent working on a project in the shop, and enough space to host friends and family without feeling crowded. Lane access leads to the detached shop, while a double garage and plenty of additional parking give you room for vehicles, toys, tools, and everything that comes with an Okanagan lifestyle. The backyard is also home to a large pre existing in-ground pool. While the pool is not currently serviceable and requires restoration, it gives the next owner the opportunity to bring it back to life and create an incredible backyard retreat, or explore a new vision for the space. Inside, the two-level home offers three bedrooms, three bathrooms, as well as an office or den. This homes functional layout gives plenty of potential to update over time and make it your own. With 0.41 acres, a 100 amp serviced shop, lane access, a double garage, and a sought-after Crawford Estates address, this is an opportunity to create something special in a neighbourhood people love to call home.
