Regina Saskatchewan

\$199,900

This home was completely renovated 2017/2018. Upgrades included new windows, doors, siding, insulation on outside of the house and attic, shingles, flooring throughout, kitchen, appliances, bathroom, water heater and just recently the interior of the home was all repainted. Main floor is an open layout with a large bedroom and 4 pc bath, the upper level has the second very large bedroom which would be great for kids or as a bonus room. There is a great mud room off the back door, plenty of space to build a deck in backyard and garage with back lane access. The laundry is in basement which is insulated and vapor barrier and could be used for extra storage or whatever creative idea the next owner wishes. This is a great starter home with all the cozy feels. Don't miss out!! (id:6769)
