Offering exceptional value in the Upper Mission, this distinctive residence presents a rare opportunity for buyers seeking a home with character, craftsmanship, and timeless appeal. Thoughtfully designed with unique architectural details throughout, the home blends elegance and comfort in a way that is both inviting and memorable. Set on a beautifully landscaped corner lot, the property makes a lasting first impression with its mature perennial gardens, impressive curb appeal, and striking architectural presence. Inside, plaster ceilings, wide-plank hardwood flooring, vaulted spaces, and stately columns create an atmosphere of refined sophistication, while a custom stone fireplace serves as the focal point of the light-filled great room. The custom Westwood kitchen balances classic design with everyday functionality, featuring cream cabinetry, a dark granite island, Thermador and Bertazzoni appliances, dovetail drawers, a beverage centre, and a warming drawer—ideal for both entertaining and daily living. Subtle Tuscan-inspired elements extend outdoors through double French doors to a private courtyard retreat. Here, a UV freshwater cocktail pool, hot tub, covered gazebo, outdoor fireplace, BBQ, fridge, and sink create an exceptional outdoor living space surrounded by vibrant, established gardens. The main-floor primary suite offers a peaceful escape, complete with heated floors, a soaker tub, dual vanities, and a spacious walk-in closet. Two additional ensuite bedrooms and a versatile lower level featuring a gym, custom bar, and family room provide ample space for family and guests.
