

482 OKAVIEW Road Kelowna British Columbia

\$1,598,000

First time on the market--ever. This cherished, family-owned property sits on a hand-selected lot chosen for its unmatched panoramic views and complete privacy. Located in Kelowna's highly coveted Upper Mission, this is a truly rare opportunity to own one of the area's most special pieces of land. Lovingly maintained and all original, the home was built as a luxury residence in the 1960s and remains a time capsule of thoughtful design and spacious living. The floor plan offers generous room sizes, classic architectural details, and incredible potential. The lower level features a separate entrance and summer kitchen--ideal for suite potential, extended family, or guests. The lot itself is the showstopper: expansive, private, and perfectly positioned to take in sweeping lake, city, and valley views that truly must be seen to be appreciated. If considering re-development, an exciting opportunity could be to stratify the lot and pursue either two detached single-family homes or a fourplex--both offering strong potential. Whether you're inspired to restore and renovate the current home or design a custom legacy estate from the ground up, the setting is second to none. This is more than just a property--it's a once-in-a-generation opportunity to create something truly extraordinary in one of Kelowna's most desirable neighbourhoods. (id:6769)
