

48213 AUCHENWAY Road Chilliwack British Columbia

\$1,699,000

Beautifully updated 4-bedroom, 3-bath home set amidst rolling hills with breathtaking mountain views and a nearby babbling brook. Enter through the wrought iron gates to find a gorgeous waterfall feature and exquisite landscaping. Just minutes from world-class fishing on the Vedder River, this secluded 7-acre estate offers plenty of space for farm animals, gardens, or ATV trails. The house boasts an open layout with stunning wood floors, a kitchen equipped with stainless steel appliances, quartz countertops, and slate flooring. The master suite features vaulted ceilings, a spacious walk-in closet, and an ensuite with a loft. The vast deck is perfect for summer gatherings and overlooks the expansive property. Come and experience the serenity and charm of this remarkable home. (id:6769)
