

2893 Robinson Road 5 Lake Country British Columbia

\$825,000

PET FRIENDLY, BEST LAYOUT AND LARGEST DRIVEWAY IN THE COMMUNITY!! Welcome to a standout three-level townhome that delivers space, style, and lifestyle -- without compromise. Built in 2019, this newer-construction home offers over 2,500 sq. ft. of thoughtfully designed living with lake and mountain views, presenting a compelling alternative to a single-family home. The main level features high ceilings, a cozy gas fireplace, and seamless indoor-outdoor flow to a private deck -- ideal for entertaining or everyday living. The kitchen is sleek, functional, and designed for hosting, complete with premium appliances and a wine fridge. Upstairs, three generously sized bedrooms include an impressive primary retreat with a spa-inspired ensuite, freestanding soaker tub, double vanity, and walk-in closet. Side-by-side laundry on this level adds everyday ease. The walk-out lower level offers exceptional flexibility with a separate entrance -- ideal for a media room, gym, playroom, or future fourth bedroom, already plumbed for an additional bathroom. Exterior features truly set this home apart: a generously sized, usable yard that can be fenced for pets, side access from the front, the largest driveway in the complex with parking for 4+ vehicles, a double attached garage with a level 2 EV charger, and three outdoor living spaces, including a private rooftop terrace engineered for a hot tub with stunning lake and mountain views. Located in a pet-friendly community welcoming up to three dogs with no size restrictions, homes that combine this level of space, outdoor living, and parking, rarely come to market. If you've been waiting for a townhome that truly lives like a detached home -- without the maintenance -- this is your opportunity to secure something special! (id:6769)
