\$1,064,000

Welcome to Southwinds at Sarsons—one of Kelowna's most sought-after communities. This exceptional high end townhome is a rare find at over 4,000 sq. ft., making it one of the largest (if not the largest) residences in the entire complex. Designed with a light-filled, loft-style feel, the open layout is airy, inviting, and perfect for both entertaining and everyday living. On the main level, you'll find everything you need: a spacious primary suite, full laundry, and a beautifully flowing kitchen, dining, and living space with soaring ceilings and abundant natural light. There's also a versatile office that could easily serve as a guest room or additional bedroom. Downstairs, three generous rooms are ready to be converted into bedrooms, a media space, or fitness studio—offering endless flexibility for your lifestyle. Well constructed with an oversized front door, solid wood cabinetry and interior doors, granite countertops, and a concrete tile roof, this home will impress even the most discerning buyer. The complex features a resort-style indoor pool and hot tub, state-of-the-art fitness centre, residents' lounge, and beautifully landscaped, park-like grounds. All of this in a friendly, quiet, and desirable Lower Mission neighbourhood close to Okanagan Lake, the brand new DeHart Park, Sarsons Beach, schools, shops, and amenities. If you're looking for space, light, and luxury in one of Kelowna's best communities, this is it. (id:6769)
