

505 BX Road Vernon British Columbia

\$460,000

A level piece of land, ready for a dream family home to appear? Oh yes! This lot has never been listed and has been in this family for more than fifty-five years! Its location, kitty corner from the Cambium (formerly the BX Cidery), is in one of the most sought-after neighbourhoods of Vernon! You're minutes away from major amenities, but far enough away you get to feel like you're out of town. Lots like these, in this part of town, are a rare find. This is NOT in the ALR and was once an orchard (and continues to be surrounded by orchards as well)! Book a showing with your favourite REALTOR® today! You can also just call me... if you want.
