$789,000

Imagine... Relaxing on your deck watching the young ones and pets running freely around the massive fenced yard. As the sun goes down you can all come inside and gather around the wood stove to really connect. This cozy home on just over a quarter of an acre offers an authentic quality of life that you cannot attain while being crammed into a new townhome, which would cost you more! The current owners raised their family here while their children attended the award-winning schools in the area. Now there is also a highly ranked elementary school, literally around the corner. You are also steps from hiking, biking parks and the local family orientated pub. This home is ready for a new family that values the experiences of living well and spending quality time together more than superficial elements of life. Perhaps you want to grow your own garden? Have a pool one day? Anything is possible here for those who crave quality of life and value time spent together in a cozy home of their own.
