Affordable, nearly new, and yes, it has a separate bedroom. Built within the last three years, this top floor 1 bedroom, 1 bathroom home offers the benefits of modern construction while saving on GST & PTT. At approximately 400 square feet, it lives like a smartly designed micro suite, but with the privacy of a separate bedroom rather than your bed sitting in the middle of your living space. Inside, you will find stainless steel appliances, quality vinyl flooring, and the convenience of in suite laundry.
