

Whitehorse South Yukon

\$729,000

A rare opportunity to bring your dream home to life in an incredible private setting! With the most demanding stages of construction already underway, this impressive three-level home offers over 4,000 sq. ft. of interior space and the freedom to complete it to your own style and vision. The dramatic design features soaring vaulted ceilings, an open-to-below upper level and oversized windows that fill the home with natural light while capturing spectacular forest and mountain views. The spacious floor plan offers exceptional flexibility, with multiple bedrooms and bathrooms already laid out, expansive open-concept living areas and space for a showpiece kitchen, entertainment areas, recreation rooms or workspace. Set on a large, private acreage surrounded by Yukon wilderness, this is a unique chance to take over a substantial custom build and shape the finishing details to make it truly your own. Bring your vision and finish something extraordinary! (id:6769)
