

Whitehorse Yukon

\$619,000

The Ultimate Yukon Base Camp! Beautifully updated 2-bedroom, 1-bath log home blending authentic Yukon charm with modern comfort. The custom handcrafted kitchen features butcher block countertops and island, upgraded stainless steel appliances, and opens to a warm, inviting living space with a wood stove and patio doors leading to a sunny west-facing deck. Recent upgrades include laminate flooring, triple-pane windows and doors, and a durable metal roof. The half basement is perfect for a home gym, workshop, or gear storage. Outside you'll find a heated and wired 24'x24' double garage, fenced dog run, fire pit, "YukonScape", contained within a white picket fence. Situated on a massive 80'x220' lot with subdivision potential and future development opportunities, this property is the perfect home, investment, or adventure base camp for everything the Yukon has to offer.
