Discover a Premier Dedicated Desk / Table Opportunity in the Heart of Richmond Hill! Step into a vibrant and professional environment perfectly suited for growing businesses and established professionals alike. Nestled in a highly accessible location just minutes from Highways 407 & 404. This offering is for one dedicated workstation (table) within a spacious and thoughtfully designed 7,000+ sq. ft. office layout. Enjoy the ideal blend of open-concept energy and quiet focus, all situated on the second floor of a quiet, well-maintained building (note: no elevator access). This turnkey sublease comes with no hidden fees; gross rent includes everything. Only three (3) dedicated workstations are available in a private room, making this a rare chance to secure a professional setup without committing to a full private office. Full access to impressive amenities include: one oversized meeting room with an 86" TV perfect for presentations, team sessions, or client meetings; a 4 person secondary meeting room with a 36" TV ideal for quick huddles or one-on-ones; coffee, tea, and refreshments available to keep you and your guests comfortable; a shared dining area for breaks and casual conversations; four shared washrooms for convenience; and a welcoming receptionist on-site to greet and guide your clients professionally. If you're looking for a prestigious location that offers professional comfort and convenience, this space is a hidden gem. Come see how this workspace can support and elevate your business. Ample free parking is always available. Option: space can be furnished. Photos are virtually staged. Would it be a bad idea to book a showing now, before the three workstations are taken?" (id:6769)
