

660 Cawston Avenue 610 Kelowna British Columbia

\$697,900

Quite possibly the premier residence at Cawston. Located on the top floor corner, this spacious 2-bedroom, 2-bathroom home offers close to 1,200 sq. ft. of living space with stunning views overlooking the city and Knox Mountain. The oversized corner patio is perfect for Okanagan-style entertaining. With only one neighbouring unit, this home truly feels standalone—exceptionally quiet and private. Owned by the original owners and lightly lived in, it shows like new. Thoughtfully designed with upscale finishes throughout—including wainscoting, wallpaper, and custom details—the interior is sure to impress. A formal entryway complete with a wine fridge sets this condo apart from the rest. Both bedrooms are generously sized to accommodate king beds, and the laundry room offers additional storage space. The home also includes a separate storage locker, and the parking stall is conveniently located near the parkade entrance. This is a must-see for buyers who value space, privacy, and a beautifully maintained home. Cawston presents a great lifestyle with easy access to all amenities. Explore all the local cafes, restaurants, wineries, breweries and shopping that the downtown core has to offer. 1 parking stall and a storage locker. Please note the floor & wall assembly schematic for home sound proofing, not common in wood frame buildings! (id:6769)
