

# 6251 Renfrew Road Peachland British Columbia

\$1,035,000

Lake views AND income potential? Yes please!! This is your chance to break into the market in beautiful Peachland--often referred to as one of B.C.'s happiest communities--with incredible lake views and serious cash flow opportunities. Perfectly positioned to take full advantage of the surrounding scenery, this property offers panoramic lake views from every level--the kind of lake views everyone puts on their "must have" list when travelling to the Okanagan Valley. The main home features 3 bedrooms and 2 bathrooms across two levels, while the real bonus is what comes with it: three additional private-entry suites, each with their own balcony overlooking the water. With a history of successful Airbnb use, these spaces create an opportunity to generate income and offset your mortgage, which is a huge advantage for buyers trying to get ahead. Set on a rare double-sized lot, there's also future potential to explore subdivision adding even more long-term value (buyer to verify with the municipality). If you've been looking for a way to get ahead instead of just getting into the market...this is it! (id:6769)
