

43685 CHILLIWACK MOUNTAIN Road 65 Chilliwack British Columbia

\$1,225,000

The Sellers took a lovely townhome in Seasons at Cedar Sky, and upgraded it to stunning. All of the components work seamlessly together to present a warm and cozy feeling while large windows keep it light and bright. As you step into the foyer, your eye is drawn to the majestic views straight ahead and you are compelled to go straight out to the balcony. The open concept main floor shows off the custom kitchen, fireplace and flooring. Nearly every room in the house has a view, and all 3 levels have large balconies. The morning sun greets the mbedroom, and getting ready for the day is a treat in the generous en-suite. 3 more bedrooms, and 2.5 baths for the family and guests. Below, the family room is set up for the movie lovers with a theatre screen and has r/i plumbing for a wet-bar. (id:6769)
