Lot 66

65 & 66 Ta Lana Trail Blind Bay British Columbia

\$249,000

Sloping down from Ta Lana Trail and backing onto the third green of the Cedar Heights Golf Course, these lots have been mostly logged, have underground utilities and are steps away to the clubhouse and tennis courts. Walking distance to beach and marina, and close to groceries and other amenities. Hookups at the lot line for water, power, and gas. The front of the lots face west and the backs face east with mountain, valley, and golf course views. Unlike Shuswap Lake Estates, Cedar Heights has no association fees. The lots are 0.37 and 0.47 acres in size and could be the perfect place to build that dream level entry home with a walk-out basement. Call the listing agent today for an information package.
