

1750 Lenz Road 69 West Kelowna British Columbia

\$419,900

Pinewood Villas offers a cozy and convenient living environment, especially for those looking for a peaceful setting. The skylight brings in a lot of natural light, complementing the freshly painted walls and new carpet in the 2 bedrooms. Laminate in the 3rd Bedroom. The fact that it's move-in ready with recent updates, hot water tank in 2019, new roof (2024). The monthly fees seem quite reasonable at \$85. The pet-friendly policy with restrictions is also a nice touch for animal lovers, though it's important to check what those restrictions entail. And the presence of storage sheds provides additional space for belongings, which can be valuable in a smaller living environment. Being situated in a forest-like setting while still being close to both downtown Kelowna and West Kelowna offers the best of both worlds--peaceful surroundings with easy access to urban amenities. The 55+ age restriction suggests it's geared towards retirees or those looking for a quieter community. Overall, it seems like a well-equipped and appealing option for those seeking a comfortable, low-maintenance lifestyle. (id:6769)
