

690 HOLT Street Kamloops British Columbia

\$569,900

On the South side of Holt Street, you will find tucked into this little corner a fantastic home that has had many tasteful renovations and has been maintained immaculately since it was last purchased. Being a great family home with 3 bedrooms on the main floor and a new kitchen, this layout can accommodate all who view it and are looking for little work to expand the living area into the basement, where there is still another 880sqft if needed. The yard itself has been a gardener's dream with many flowers, vegetables, and rich soil to grow, as well as plenty of sun that always helps! The home is in a very central neighbourhood with a large school field across the street and just a short walk to a grocery store, restaurants, pharmacies and easy-to-walk paths. There is very little to ask for after viewing this home and one that should not be missed at this price! (id:6769)
