

69405 Range Road 220 Valleyview Alberta

\$60,000

This is a great opportunity for anyone wanting an acreage to build their dream home on! Driveway is only a few hundred feet off pavement. Please note: this acreage is "AS IS, WHERE IS". It comes with power service on the property to an older mobile home that is not livable. The mobile has an old septic and water system that is "AS IS, WHERE IS" and may, or may not, be usable. If you are a horse lover, there is some fencing around what would be a great pasture, with some trees for shelter. Location is about 7 miles south east of Valleyview, approximately 2 miles from the Riverside Golf Course and only a short distance to the Smoky River. (id:6769)
