\$825,000

Looking for a mortgage helper? Room for the in-laws? The perfect vacation rental investment? This nearly 3,000 sqft, 5-bedroom, 5-bathroom home with TWO full kitchens checks every box -- and then some. 2 bedrooms on the main floor both feature full en-suites. The main floor features two generous bedrooms, each with its own full en-suite, plus a 2-piece powder room with convenient main floor laundry. Upstairs, an open-concept kitchen, living, and dining area is designed for both everyday living and effortless entertaining -- stainless steel appliances, a large island, and a gas fireplace set the tone. Step out to the back deck, gas hook-up ready for the BBQ, and take in sweeping lake and mountain views that never get old. Downstairs, the lower level offers 3 more bedrooms, a den, 2 bathrooms, a second full kitchen, a second laundry room -- with the flexibility to close off a private, self-contained 1-bedroom in-law suite with its own separate entrance. Then there's the location. A short walk to the local beach, minutes from the Oliver Golf & Country Club (one of the Okanagan's most beloved courses), and close to schools and all amenities -- this is the kind of address that makes every day feel like a getaway. Whether you're looking to generate income, host family, or simply live well in Canada's wine country, this home delivers. (id:6769)
