

763 Argyle Street Penticton British Columbia

\$789,900

OPEN HOUSE-SATURDAY, MAY 30, 2026-10:30AM TO 12:00PM Attention Investors, Developers and

Dreamers. Welcome to 763 Argyle Street. There are number options with this offering. Take this character home and restore it to its past glory and then treat the massive yard, with lane access as a blank slate.

Carriage home, Garage/Workshop, Backyard Oasis with a beautiful pool. Another option is to use the home as a holding property while you take advantage of the zoning and design an infill project. 6-8 townhome units

could be possible. Currently, this almost 3370sqft home has 4 large bedrooms and 2 baths spread out over

three levels. The main level of the home features a large living room, kitchen, separate dining room, one

bedroom and the main 4 pc bathroom. Heading upstairs on the spiral staircase there are three bedrooms, 2 of

which are wonderfully oversized and the second 4 pc bathroom. In the basement there is spacious rec room, a

den (possibly another bedroom) and plenty of storage. The original mid century classy architecture is still

apparent throughout the home but admittedly elbow grease and some investment will be required to update

the home. It's the large flat yard, with lane access, that is the true diamond here. Do you need space for the

toys, want to build the dream garage or a mortgage helper? Centrally situated close to schools, shopping,

restaurants and recreation in a neighbourhood that is seeing much growth and updating. Book your own

private showing today. (id:6769)
