Discover affordable, sustainable living on this 4.91-acre property in the Twin Lakes area. Set up for off-grid living with solar power and propane, this home offers independence without sacrificing comfort. Inside, natural wood accents and an open floor plan create a warm and welcoming atmosphere. Large windows bring in plenty of natural light and frame views of the surrounding landscape, while a wood stove adds cozy efficiency. The kitchen is equipped with modern appliances, ample counter space, and generous storage. The home has seen numerous updates, including a new kitchen, refreshed exterior stain, updated bedrooms and bathrooms, new flooring, paint, and a carport. Upstairs, the spacious primary suite features a walk-in closet, 3-piece ensuite with walk-in shower, and access to a private covered deck -- a quiet retreat overlooking the property. Outdoors, you'll find multiple covered decks, garden areas, and peaceful relaxation spots along the creek. With plenty of room for hobby farming, gardening, or simply enjoying the outdoors, this property combines privacy, functionality, and the unique benefits of off-grid living. (id:6769)
