

863 Coronado Crescent Kelowna British Columbia

\$1,799,000

This is the Lower Mission estate property you've been waiting for--a large family home with two separate wings, offering endless possibilities. With 7 bedrooms, 5 bathrooms, and over 5700 sqft, this spacious home is perfect for multi-generational living, hosting your out-of-town guests or as an investment property. The original West Wing home is a piece of Kelowna history (without the red tape of a heritage property) and has been completely modernized to showcase a mid-century modern charm. From vintage light fixtures and real wood beams to the gourmet kitchen with Silestone quartz countertops and custom cabinets every detail tells a story rich in style and history. With four bedrooms, 2 baths, laundry and large dining and living space this wing has been used as a profitable airbnb investment for the current owners. The east wing, built in 2002, offers a large gathering room, wet bar, home gym, rec room, laundry, and 3 additional bedrooms and 3 baths. Set on over half an acre, the property features plenty of parking for vehicles, RVs, and boats, plus a detached garage. The outdoor oasis includes a pool, hot tub, and tiki bar, ideal for entertaining. Located on a quiet street in Lower Mission, you're just a bike ride or walk to the beach, Mission Ridge park, and popular spots like Barn Own Brewing and Dunnenezies. Looking for paradise? Moving to Kelowna? This home is a perfect investment, vacation rental, or multi-family living solution. (id:6769)
