

898 Lloyd Jones Drive West Kelowna British Columbia

\$500,000

Imagine a private lot in an exclusive gated community with unobstructed views of the lake, mountains, bridge, and city. This is a legacy property situated just seven minutes from downtown Kelowna. Shaleridge Place is home to nothing but high-end custom residences, built by those who can live anywhere and choose the low-maintenance lifestyle with the privacy and security this enclave affords. The lot is a natural landscape sloping away so there is nothing for you to do here and your view and privacy will never be compromised. If you chat with neighbours, they'll all speak of their view. Nature paints a different canvas for them every day, from the sun rising over the mountains to the moon reflecting on the lake, with all the lights of the city sparkling like a million stars. Everyone who steps into your new home will be awestruck! This is, without question, the best value Lakeview lot for sale in the region and represents an opportunity that discerning buyers will surely appreciate. Call for details of the lot and detailed plans (the owner has made a major investment in having a beautiful custom plans drafted by an architect.) Act fast this is truly a unique offering at an incredible price. (id:6769)
