

## 96 YORKTON Avenue Penticton British Columbia

\$1,199,000

Location, investment & sunshine - this place has it all! This property was renovated and modified for early childhood education over 5 years ago and has been running as a successful daycare ever since. Penticton has a strong demand for this type of business and limited properties that meet the criteria. 96 Yorkton has a special designation in the City of Penticton zoning bylaw to allow R1 (daycare centre major). The lot is over 10,000 sqft with tons of space for learning inside and outside, and it's conveniently located just over a block away from Skaha Park and the beach. The rear yard is fenced and grassed with a playground area in the back, as well as a detached heated garage measuring 20x25 feet. There is plenty of room for parking on the property outside of the play areas. This is a great opportunity if you are looking to invest for now or the future!
