

990 1ST Avenue Prince George British Columbia

\$8

This is a rare opportunity to secure a high-visibility commercial footprint that helps businesses find their footing and scale quickly. Well suited for an emerging business or a creative startup, this space blends the historic building's timeless grit with the modern essentials needed to keep overhead low and customers comfortable. The building's "old soul" provides a built-in aesthetic that modern builds can't replicate-perfect for boutiques, vintage shops, or artisanal studios. There is a mix of cold storage and heated storage and the total area can be broken into smaller areas to serve your needs. (id:6769)
