

2590 Pleasant Valley Boulevard B Armstrong British Columbia

\$210,000

Country Manor Kitchen in the heart of Downtown Armstrong has been serving amazing food for many years with its aesthetic of "granny's kitchen": antique mis-matched plates, a vintage milkshake machine and meals home-cooked with love, like Irish stew poutine and pulled pork salads. Serving delicious breakfasts and lunches they take pride in a from scratch, locally sourced menu. All their meats are created in house, no deli meats here! They hand press their burger patties found in their Gourmet Burgers, they are also made without fillers and are 1/3 of a pound! They roast & brine their meats in house, and make french fries by hand. Also, you can get a wide variety of in house baking, like fresh biscuits for our Soups, Eggs Benny and Breakfast Sandwiches. Rustic, Handmade, & Beyond Delicious! They have a warm, Victorian Decor Themed space. Take out is always an option. Sundays you can experience the incredible Breakfast Brunch Buffet!! Country Manor Kitchen is a fresh, from scratch restaurant that serves delicious breakfasts & lunches. Fully licensed and has a seating capacity of over 70 seats. Waiting for the next owners new ideas and energy to maintain this favourite spots reputation and quality! (id:6769)
