

Black Forest Way Big White British Columbia

\$599,000

Rare ski-in/ski-out lot in Big White's coveted Black Forest Estates! This exceptional homesite offers the opportunity to build a custom single-family home or duplex in one of the resort's newest neighbourhoods. With direct ski access off Gondola Way and the Black Forest Chairlift just steps away, you'll enjoy effortless days on the slopes and stunning, unobstructed mountain and valley views year-round. As a non-strata lot, you'll have the freedom to choose your own builder and bring your vision to life without strata restrictions. Located just minutes from Happy Valley and the Village Gondola, you're close to Big White's best amenities, including the tube park, skating rink, snowshoeing and cross-country trails, plus a variety of restaurants and family-friendly activities. Short-term rentals are permitted, making this an outstanding opportunity for a vacation home, revenue property, or both. One of the few remaining slope-side lots available in this desirable mountain community. (id:6769)
