

CONFIDENTIAL Prince George British Columbia

\$850,000

A great opportunity to acquire a well-established, national franchise restaurant operating in a high-traffic, highly visible location in Prince George. This turnkey operation has demonstrated consistent sales performance with annual gross sales in the range of \$3m making it a strong-performing franchise unit in the North. The business benefits from the built-in brand recognition, marketing infrastructure, and supply chain support of a major national franchise. Day-to-day operations are well-established, with trained staff, proven systems, and a loyal customer base already in place. What makes this listing particularly compelling is the upside. A hands-on, experienced operator will be able to identify efficiencies and growth strategies that have yet to be fully exploited. Whether through extended hours, catering programs, delivery platform optimization, or tightened food and labor cost management, the pathway to meaningfully improved net income is clear. (id:6769)
