

Harvey Avenue Kelowna British Columbia

\$399,000

Exceptional Turnkey Burger Restaurant Opportunity! Own an established burger restaurant in a prime, high-exposure location with excellent visibility, strong traffic counts, and outstanding growth potential. This is a rare opportunity to either continue operating under the successful Burger franchise through a franchise transfer or introduce your own restaurant concept and capitalize on this proven location. The business is fully equipped and operational, featuring a professionally designed online ordering platform, fully functional website, mobile ordering app, and established digital presence. A long-term lease provides stability and allows the new owner to focus on growing the business. Burger business has built its reputation on serving fresh, handcrafted burgers made from premium ingredients, delivering an exceptional dining experience that keeps customers coming back. The franchise has established branding, operating systems, recipes, and support for buyers wishing to continue with the existing concept. Alternatively, entrepreneurs looking to launch their own restaurant brand can take advantage of the excellent location, existing lease, and fully equipped premises to create a new food and beverage concept (subject to landlord approval and any applicable franchise requirements).
