

Whitehorse North Yukon

\$800,000

One-of-a-kind waterfront property on 8.06 titled acres on the southeast end of Lake Laberge, formerly the main lodge for Great River Journeys. The 2,923 sq. ft. lodge was originally built in 1970, with extensive upgrades in 2005-2006. Guest accommodations include five double cabins, two single cabins, and three staff cabins, plus a separate washroom/laundry building, garage, shed, pump house, and other smaller buildings. Power is supplied by generators, with propane appliances. The property has a 150-foot dock. The property is in need of work and updating and is being sold "as is, where is." An excellent opportunity for someone looking to restore and revitalize a unique waterfront lodge or recreational retreat. Showings are by appointment only. Please contact your Realtor(R) to schedule a viewing. As this is a remote property, please do not visit without a scheduled appointment and your Realtor(R) present. (id:6769)
