

Lot 31 Bond Road Lake Country British Columbia

\$2,110,000

10-acre farm in the desirable Okanagan Centre area, planted to a productive mix of cherries and apples. Offering an attractive opportunity to own agricultural land in one of the Okanagan's sought-after farming locations. For added flexibility, the seller may be willing to lease the orchard back, providing an opportunity for a buyer to live the semi rural lifestyle without taking on the day-to-day management of the farm. The seller is open to leasing the orchard back, offering buyers an opportunity to retain the property as an agricultural investment while having the orchard professionally managed. (id:6769)
