

Lot 86 Anglemont Way Anglemont British Columbia

\$65,000

Discover an amazing piece of land in the picturesque community of Anglemont. This 0.35-acre lot is beautifully wooded with mature trees, providing a sense of seclusion and tranquility. The sloped terrain is perfect for a custom-built home with stunning views. Although there are currently no utilities on the lot, electrical lines are close by, and there is community water for the area. The property has easy access from a well-maintained road directly above. Ideal for a full-time residence or vacation retreat, this lot offers endless possibilities for creating your dream home amidst the natural beauty of British Columbia. Don't miss out on this amazing opportunity! *** Please note that property lines shown on photos in red are approximate, buyer to do their own due diligence on property lines. *** (id:6769)
