Looking for a place to call your own for that dream cabin you've always wanted ? This may be the place , it's pretty much all mixed mature forest w a small brook towards the back of the property. About 2.15 hectares in total with around 185 ' of road frontage x 1200' deep more or less. A rare find that this road actually offers hydro going right by the property . The groomed trail system is only a couple of minutes away making it easy to access right from this land. (id:6769)
