

Trans Canada Highway Salmon Arm British Columbia

\$960,000

Turnkey excavating and site services business offered for sale in BC Interior with an established operating history of over 50 years. This well-regarded company provides a full range of excavation and hauling services for residential, commercial, and light industrial projects throughout the Shuswap, Okanagan and surrounding communities. Services include site preparation, land clearing, grading, road building, backfilling, trenching, septic system installation, water and sewer service connections, landscaping, snow removal and general excavation work. The sale includes a strong equipment package, goodwill, and an experienced workforce in place, making this an excellent opportunity for an owner-operator or an existing contractor looking to expand capacity. Financial information and equipment list is available for qualified buyers. Seller is prepared to provide transition support to ensure continuity. Ideal acquisition for those seeking an established, equipment-backed business with immediate revenue potential and room for growth. Lease for storage and equipment parking. Address is brokerage mailing address. (id:6769)
