

996 Bull Crescent Kelowna British Columbia

\$519,000

Nestled within The Orchard, surrounded by wineries, trails, beaches, and recreational facilities, Lot 68 presents an ideal country lifestyle within the city. Boasting an expansive 43-foot frontage and spanning .19 acres, this flat, partially fenced lot is located in the serene section of the neighborhood. It backs onto protected land, offering a rare sense of privacy. The lot covers an area of 7,901 square feet, with a buildable space of 2,023 square feet. Included: plans for a 4,000-square-foot house, featuring a legal 2-bedroom suite. Ready for immediate construction. You also have the option to enlist the seller as the builder, ensuring a smooth and efficient building process. With its location in the highly desirable Lower Mission take advantage of the close proximity to schools, the H2O recreation centre, Okanagan Lake, retail outlets, restaurants, and transit. Begin your construction now and envision enjoying your new home next summer in this highly desirable community. (id:6769)
