

1777 Lakestone Drive Lake Country

\$1,349,000

LARGE CORNER LOT WITH SPECTACULAR PANORAMIC LAKE VIEWS. Welcome to Lakestone! This gorgeous West Coast Contemporary home designed by award winning designer, features 3 bedrooms + den, 3 bathrooms and over 3000 sq ft of luxury finishes. Experience beautiful curb appeal the minute you drive up to the property and upon entrance through the vaulted foyer, you are instantly hit with the panoramic views this home showcases so well through the large view windows. The kitchen boasts granite countertops, a sleek tile backsplash, SS appliances including gas cook-top with range hood and wall oven, walk-in pantry and crisp white shaker cabinetry to keep it bright and beautiful. Preverco white oak matte finish hardwood flooring covers the majority of the main floor and the living room features a floor to ceiling tiled linear fireplace. The Master bedroom has a large walk-in closet with built-in shelving and a pristine 5 piece ensuite with tile rain shower and deep soaker tub with large view window for extra relaxation. Below you will find 2 more bedrooms, a fitness area with gym flooring, living room, full bath and wet bar. Enjoy dazzling lighting throughout! Both levels have large view decks with glass railings, showcasing the panoramic lake views. Dual zone climate control. App controlled irrigation system. Garage has extra room for boat or toys. Close to Amenity centre with public dock. Click on the multi-media link for virtual tour. Call/text Chad Bennett RE/MAX Kelowna 778-363-7653.
