6 BEDS, HEATED POOL AND ALMOST AN ACRE! There is so much to say about this home and limited space to do so. Substantially renovated in 2006, it was taken down to the foundation level and rebuilt! But let's start with the outdoor oasis: 20x40 heated pool, hot tub, pool house with bathroom, gazebo, outdoor fireplace and finely manicured large, private yard of almost an acre in size. You will be spending every waking minute of the summer outside. And the view is just spectacular, overlooking vineyards while also showcasing lake views. Inside you will find 6 beds, 5 baths and over 5700 sq ft on 3 levels. The finishings on this home are top notch and unique. The Kitchen features dark granite counters, pine ceilings, walk-in pantry with SS shelves and new SS appliances. The master ensuite has granite counters with jetted tub and walk-in shower that has recently been resurfaced. Great covered deck off the master to enjoy the views. Wainscoting in dining room and main entry. Built-in shelving in family room with rock decor wood burning fireplace. All tile in kitchen and laundry room has in-floor heating. Maple hardwood flooring. Exposed timber framing on exterior. 30x40 shop, 25x20 carport, 16 x 30 finished area above shop and detached yard shed. Fully paved driveway & exterior around. This home is loaded! Click on multi-media and take the virtual tour - almost as good as viewing in person. Call/text Vanessa Graham RE/MAX Kelowna 250-300-9099.
